

Why Pawlix?

Skin comfort for pets.
Cleaner for your home.

Pawlix is a gentle pet skin recovery cream formulated to soothe dry, sensitive or irritated skin while being safe for incidental licking when used as directed.

Its light, clean-feel texture absorbs comfortably and is designed to minimise greasy transfer and staining on furniture, bedding and surfaces.

Soothes sensitive skin

Supports comfort for dry, sensitive or irritated skin.

Safe for incidental licking

Provides added peace of mind for everyday pet care when used as directed.

Clean on surfaces

Designed to minimise greasy transfer and staining on furniture, bedding and floors.

Suitable for pets experiencing:

- Dry skin
- Sensitive skin
- Minor superficial scrapes
- Paw pad discomfort
- Skin irritation from friction
- Post-grooming sensitivity

Made for real homes:
gentle on pets,
cleaner on surfaces.

Ingredient Story

Nature-derived soothing support with advanced hydration.

1) Hydration Complex

Glycerin, Sodium Hyaluronate, Saccharide Isomerate

Helps attract and retain moisture for dry and uncomfortable skin.

2) Soothing Botanical Blend

Aloe Vera, Centella Asiatica Extract, Algae Extract

Supports comfort for skin that feels dry, stressed or sensitive.

3) Skin Conditioning Support

Vitamin E Oil, Cetyl Alcohol, Cyclomethicone

Helps improve skin feel, softness and spreadability.

4) Formula Support

Aqua, Triethanolamine, Stearic Acid, Walnut Extract, Chlorphenesin (0.1%)

Supports formulation stability, preservation and application experience.

Ingredients: Aqua, Glycerin, Triethanolamine, Water and Algae Extract, Saccharide Isomerate, Aloe Vera, Cetyl Alcohol, Sodium Hyaluronate, Stearic Acid, Centella Asiatica Extract, Cyclomethicone, Walnut Extract, Chlorphenesin (0.1%), Vitamin E Oil.

PAWLIXA™

Pet-Safe Skin Recovery Cream

How to Use

Simple, gentle care to help support your pet's skin recovery every day.

Directions

Apply a thin layer to clean, dry skin and affected areas up to twice daily, or as directed by a veterinarian. Allow the cream to absorb before your pet rests on furniture or bedding. For areas that are frequently licked, apply a small amount and monitor your pet after use.

Suitable For

- ✓ Sensitive skin
- ✓ Dry or irritated skin
- ✓ Paw pad discomfort
- ✓ Daily skin recovery support

Caution

For external use on pets only. Safe for incidental licking when used as directed. Not intended to be eaten. Avoid contact with eyes, nose, mouth and inner ears. Do not apply to deep, bleeding, infected or heavily inflamed wounds unless directed by a veterinarian. Discontinue use if irritation occurs.

Pack Size

100 ml

Pawlix — gentle pet skin recovery care designed for happier pets and cleaner homes.
