Why Dermavale?

Clean comfort for sensitive, irritated and stressed skin.

Dermavale is a light, soothing skin recovery cream formulated to support skin comfort, hydration and barrier care. Its clean-feel texture absorbs comfortably and is designed to minimise greasy residue on clothes, bedsheets and surrounding surfaces.

Soothes

Supports comfort for sensitive and irritated skin.

Hydrates

Helps attract and retain moisture for dry, uncomfortable skin.

Supports skin recovery

Helps maintain a healthy skin environment and barrier support.

Clean-feel application

Light, non-greasy finish designed for daily use.

Natural ingredients with a **light finish** — comfort for skin without the greasy aftermath.

Ideal for skin experiencing:

- ✓ Dryness
- ✓ Redness
- ✓ Sensitive skin
- ✓ Friction discomfort
- ✓ Post-procedure skin stress

Ingredient Story

Nature-derived soothing support
with advanced hydration.

1. Hydration Complex

Glycerin, Sodium Hyaluronate,
Saccharide Isomerate

Helps attract and retain
moisture for dry and
uncomfortable skin.

2. Soothing Botanical Blend

Aloe Vera, Centella Asiatica
Extract, Algae Extract

Supports comfort for
skin that feels stressed,
sensitive or irritated.

3. Skin Conditioning Support

Vitamin E Oil, Cetyl Alcohol,
Cyclomethicone

Helps improve skin feel,
softness and spreadability.

4. Formula Support

Aqua, Triethanolamine,
Stearic Acid, Walnut Extract,
Chlorphenesin (0.1%)

Supports formulation stability,
preservation and a pleasant
application experience.

Ingredients: Aqua, Glycerin, Triethanolamine, Water and Algae Extract,
Saccharide Isomerate, Aloe Vera, Cetyl Alcohol, Sodium Hyaluronate,
